

Name - _____

Start time - ___ : ___

End time - ___ : ___

Read the picture story and underline the conjunctions.

Humming birds are small and colourful. Their legs are weak, but their wings are strong. Their wings beat fast and make a humming sound.

The birds can fly up or down, backwards or sideways. They can hang in the air and drink nectar from the flower.

They usually lay two eggs and their babies are featherless. Grass, bark or cobwebs hold their nest together. It's really amazing !!

Fill in the blanks with words from the story above.

1. Humming birds make a humming sound with their _____
2. Humming birds can fly up _____ down, backwards _____ sideways.
3. _____ bark _____ Cobwebs hold the nest together.
