## HOMOPHONES

Homophones are pairs of words that sound the same but have distinctly different meanings and different spellings

1. He (threw / through) the towel on the floor.
2. A rabbit has long ears and a short (tale / tail).
3. Do I have to clean the classroom (right / write) away?
4. The (plain / plane) is about to take off.
5. I (know / no) you must be tired, so I will let you rest.
6. (Hour / Our) school library has many books.
7. Eggs are sold (by / buy) the dozen
