

Name - _____

Start time - __ : __

End time - __ : __

Read the original text carefully and then paraphrase each paragraph or section in your own words.

Passage 1 : The advancements in artificial intelligence have opened new horizons in various fields, from healthcare to finance. AI algorithms can analyze vast amounts of data with incredible speed and accuracy, offering valuable insights and predictions. Despite the potential benefits, ethical concerns regarding AI's impact on employment and privacy have been raised.

Paraphrased Text:

Passage 2: The exploration of space has captivated humanity's imagination for centuries. In recent decades, space agencies worldwide have launched missions to explore distant planets, study cosmic phenomena, and search for signs of extraterrestrial life. Space exploration not only expands our understanding of the universe but also fosters technological innovations with applications on Earth.

Paraphrased Text:

a b c d e f g h i j k l m n o p q r s t u v w x y z
