End time - ___ : ___

Complete the text with a suitable modal verb in each space.

Could	can	would	might	should
Need / would	must	had	ought/need	can
Must	should	had	must	might/could/may

Some people always have good advice to give you, but only after the event. You _____ have come across the type, who somehow always knows what you _____ have done when it has become too late. By now, I _____ spot them a mile off. If _____ be because I have has so much practice. Last week, for example, I _____ to take my car to the garage because they lights weren't working. It was an expensive job, but I decided that I _____ as well pay, and get it over quickly. "You _____ have told me," said a friend when I was telling him how much I _____ to pay. "I _____ easily have fixed it for you. Then you _____ not have wasted so much money." You _____ imagine how I felt! Actually, he _____ probably have made a mess of the job, and I _____ well have ended up paying more. But it does seem strange that everyone else _____ know exactly what I _____ to do.

Write two sentence of your own using the modal verb.

1. _____

2. _____
