What are you doing \_\_\_ (at/in/on) the weekend? I don't know yet. I might go to the cinema \_\_\_ (at/in/on) Saturday. That's Interesting! I haven't been to the cinema \_\_\_ (for/since) so many years. We could go there together \_\_\_ (at/in/ on) the afternoon. That would be great. But I would prefer to go there \_\_\_ (at/in/on) the evening. I am visiting my grandma \_\_\_ (at/in/on) Saturday. That's okay. The film starts \_\_\_ (at/in/on) eight o'clock. I can pick you up (at/in/on) half \_\_\_ (to/past) seven. How long does the film last? It lasts \_\_\_ (for/to/until) two hours and forty-five minutes. (before/by/from) eight \_\_\_ (for/till) a quarter \_\_\_ (to/by/at) eleven. That's right. But I must rush home \_\_\_ (after/before/now) the film. I have to be home \_\_\_\_\_ (by/since/until) eleven o'clock.
