

Name - _____

Start time - __ : __

End time - __ : __

Read the original text carefully and then paraphrase each paragraph or section in your own words.

Passage 1 : The importance of mental health awareness is gaining recognition globally. Initiatives advocating for mental well-being, reducing stigma, and improving access to mental health services are becoming widespread. Addressing mental health challenges is not just a medical concern but a societal responsibility that fosters empathy and understanding.

Paraphrased Text:

Passage 2: Space exploration continues to captivate humanity's imagination. Advances in technology have allowed us to probe distant planets, study cosmic phenomena, and expand our understanding of the universe. These endeavors, driven by curiosity and scientific inquiry, inspire future generations to reach for the stars.
