The Camping Trip

Sophie and her family went on a camping trip to the forest. They packed their tent, sleeping bags, and food. Sophie was excited to sleep under the stars. When they arrived, they set up the tent near a big, beautiful lake. Sophie and her brother, Jack, went exploring.

They found a trail that led to a waterfall. As they walked along the trail, they saw colorful birds flying in the trees and squirrels running on the ground.

Sophie loved being surrounded by nature. At the waterfall, they sat on a rock and watched the water splash into the pool below. It was so peaceful. When it got dark, they made a campfire and roasted marshmallows. Sophie's favorite part was telling stories while they ate. That night, Sophie fell asleep to the sound of crickets chirping and owls hooting. It was the best camping trip ever.
