The Hungry Caterpillar

Once upon a time, there was a small caterpillar named Charlie. Charlie loved to eat all day long. He would munch on leaves and flowers until his belly was full. But one day, he woke up and found that he was still hungry. He decided to go on an adventure to find the tastiest food.

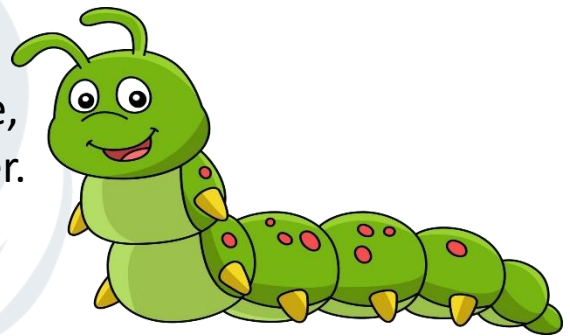

First, Charlie crawled to the apple tree. He took a big bite out of a juicy red apple, but it wasn't enough to satisfy his hunger.

Next, he visited the strawberry patch.

He gobbled up plump, red strawberries, but still, his tummy rumbled for more.

Charlie continued his journey, searching far and wide. He nibbled on carrots, lettuce, and even tried a slice of watermelon. But nothing seemed to fill him up. Just when he was about to give up hope, he spotted a field of bright, colorful flowers.

Excitedly, Charlie hurried over to the flowers and began to feast. Each flower tasted sweeter than the last, and finally, Charlie's hunger disappeared. With a contented sigh, he curled up in a cozy leaf and fell asleep.
